All Subjects/Virtual	Edgenuity	Edgenuity	7-12	2019

The Department of Teaching and Learning is in the process of developing a Textbook Adoption Guide to implement for 2021-2022. All textbooks that are adopted to support the core curriculum must be funded using general funds. For that reason, the department must develop a schedule and work closely with the Department of Business and Operations to ensure there is no undue hardship on the general fund.
