Biomedical Sciences Institute

Students enrolled in the Biomedical Sciences Institute (BSI) are required to use a laptop.

Required Applications

With the Canvas™ learning management system, student devices will require the installation of certain applications to protect the integrity of the testing environment. The IT Department will assist with installation at the beginning of the school year. Students who uninstall these applications will forfeit the right to use their device at MDCA, which will impact their ability to complete their schoolwork.

iPads and other tablet devices are not permitted
