

**EVANGELICAL CHRISTIAN SCHOOL**  
**ALL Student - Out-of-Uniform Appearance Standards**

Students should follow these guidelines for any Dress Up Day or Appreciation Day. For rules regarding Spirit Days, please see the appearance standards on the campus pages of the ECS website or the Student Handbook.

Dress Up Days are not simply an excuse to dress down. Students must dress according to the theme of the day. If not participating, students must be in normal dress code.

Modesty, Tastefulness, and Appropriateness are the foundation of these general guidelines.

- Students may wear skirts or shorts if those items follow the theme of the day. Shorts or skirts must be below the knee. If not, the clothing underneath that item must extend beyond the knee.
- Spandex, leggings, or other tight-fitting clothing can never be worn alone.
- Jeans, sweatpants, warm-up pants, and khaki pants are all allowed.
- Appropriate accessories, such as shoes, socks, wigs, jackets, hats and sunglasses are allowed. However, those items must follow the theme for the day, and any facial covering must be easily removable and must not cover the entire face.
