

Baby on the way?

Congratulations! DirectPath will help you prepare for your little one's arrival.

Your DirectPath Advocate can:

- Find an in-network OB/GYN and pediatrician near you
- Tell you how your benefits support a healthy pregnancy
- Detail how your insurance will cover routine delivery costs and well baby checks
- Explain what to do to cover the baby as a dependent

Call your Advocate for any benefits or health care question throughout the year!

DirectPath is completely confidential and provided as part of your benefits program at no cost to you!
