SUPERINTENDENT’S REPORT
Superintendent Osei gave an introduction and overview of the Out of School Time Task Force. As a result of change in 2020-21 school year start times, the task force will create a more robust menu of out-of-school time options to meet the overall health, academic and social/developmental needs of all K-5 students and families. He noted that two meetings have been held and thanked students, staff, parents/guardians, St. Louis Park Parks and Recreation and community members for their participation. Superintendent Osei then introduced the High School Schedule Task Force. St. Louis Park High School’s schedule is currently a seven (7) period day. The purpose of the High School Schedule Task Force is to determine the optimal schedule to meet the academic and social/developmental needs of all high school students while also allowing staff collaboration. This work will include recommendations for staff collaboration time, student intervention and enrichment time, lunches, advisory times, blocks, diploma programs (IB), classes with college credits (AP), etc. The High School Schedule Task Force has met once. If a recommendation is made for changes in the schedule, we would then look at when the implementation date would be. It was noted that there are still other factors to consider. The final note was a reminder that the 2019 Parade of Schools will be held on October 26 from 9:00 a.m. – 12:00 p.m. at Aquila, Park Spanish Immersion and the High School offices. A thank you was extended to the public for all of the support and approval of the 2017 bond referendum.
