

English Instructor

Mercy Career & Technical High School is the only Catholic, co-educational, career and technical high school in the United States.

Position Responsibilities:

- Teach five sections of English (subjects to be determined)
- Focus on improving students' writing skills as well as reading comprehension
- Assess students according to the educational framework of the school
- Participate in general faculty meetings, department meetings, parent/student/teacher meetings and in-service days
- Complete other duties assigned by administration

Applicant Requirements:

- Motivator – can inspire students to appreciate and enjoy reading and writing
- Creative - able to apply concepts to the career paths offered at Mercy Tech
- Able to integrate technology in curriculum
- A minimum of a bachelor's degree in English is required.
- An instructional certification and experience as an educator are preferred.
- Good interpersonal skills and able to work with adolescents
- Current technology skills (Gmail, Google apps, PowerSchool, SmartBoard)
- Willingness to learn computer applications used at Mercy Career & Technical High School
- Able to obtain required clearances identified on the school web page under **Work at Mercy**
- Demonstrate an appreciation of the Catholic faith

Schedule and Calendar Considerations:

- Work full school day (8:00 AM – 3:30 PM)
- Attend several afternoon grade meetings during the year which end at 4:15 PM
- Follow normal school year calendar with holidays and breaks

Benefits include:

- Healthcare
- Immediate participation in a matching 403b plan
- Paid sick time and personal days
- Tuition reimbursement
- Working with a very caring, supportive faculty and staff
