## FRENSHAM *Life*

Boarding is at the heart of Frensham. All our girls are boarders and belong to a boarding house, but not all of them sleep over – around a quarter of our students go home each night. Student life supports the girls' emotional and physical health and happiness, enabling them to excel academically and develop their unique talents.

Kindness and compassion are evident in the quality of the relationships between the girls and in their interactions with our staff. At Frensham, girls form meaningful, lifelong and valued connections.
