T-Tech Admissions Guidelines: T-Tech is Tustin High School's award-winning technology and engineering academy. Because of the high demand for spots in the program, students must apply in writing every year and demonstrate excellence in a number of academic and citizenship standards. Criteria used in the selection of T-Tech students include but is not limited to the following: Written Application, Attendance, Un-weighted GPA, Teacher Recommendation, A-G Compliance, Teamwork, Worth Ethic, and Citizenship. Admission into the program is at the discretion of T-Tech and Tustin High School administration.
