## *TECHNOLOGY*

---

The Superintendent shall not fail to establish and maintain technology systems and applications consistent with the accomplishment of the Board's Ends.

Accordingly, the Superintendent shall not fail to:

1. Provide equitable access to technology throughout the district.
2. Provide and implement a comprehensive technology plan that directs the outcomes and priorities for the expenditure of technology resources.
3. Provide access to advanced, technologically rigorous courses for students.
4. Establish expectations of use of technology by staff and students.
5. Maintain a computing environment that is safe, secure and reliable for students and staff.
6. Prohibit the use of technology resources for commercial, political, illegal or indecent purposes or that disrupts the learning environment of students.
