Determining a Focus

Climate & Culture

- Self-awareness
- Self-management
- Social Awareness
- Relationship Skills
- Responsible Decision-making

Personalized Learning & Growth

- Self-awareness
- Self-management
- Social Awareness
- Relationship Skills
- Responsible Decision-making

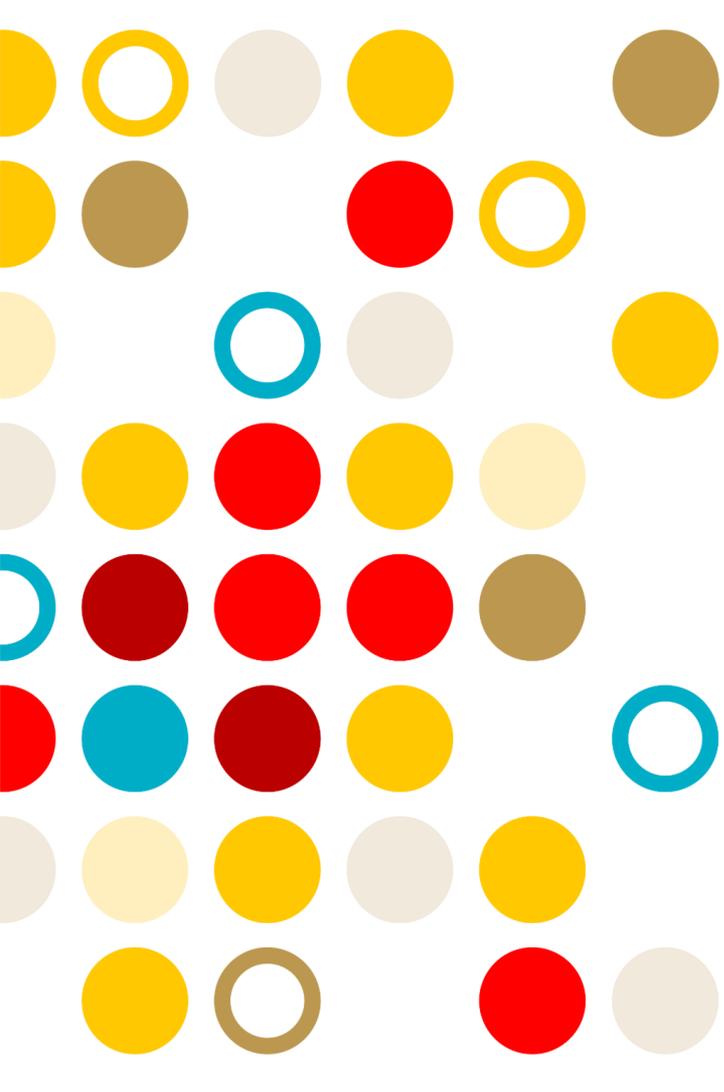

During the school year there will be 2 planning cycles:

Phase I - August - December

Phase II - January - May

AUGUST	SEPTEMBER	OCTOBER	NOVEMBER	DECEMBER
Set Phase I Focus	Implementation & Monitoring	Implementation & Monitoring	Implementation & Monitoring	Phase I Review Set Phase II Focus

JANUARY	FEBRUARY	MARCH	APRIL	MAY/JUNE
Set Phase II Focus	Implementation & Monitoring	Implementation & Monitoring	Implementation & Monitoring	Phase II Review

A decorative graphic on the left side of the slide consists of a grid of colored circles. The circles are arranged in approximately 10 rows and 6 columns. The colors include yellow, red, blue, brown, and grey. Some circles are solid, while others are hollow (rings).

PLANNING PROCESS

1. Inquiry and Information
2. Determine and Define a Focus
3. Decide on Effective Practice & Planned Activities
4. Define Measures of Success and Foreshadow how this focus will impact the children.

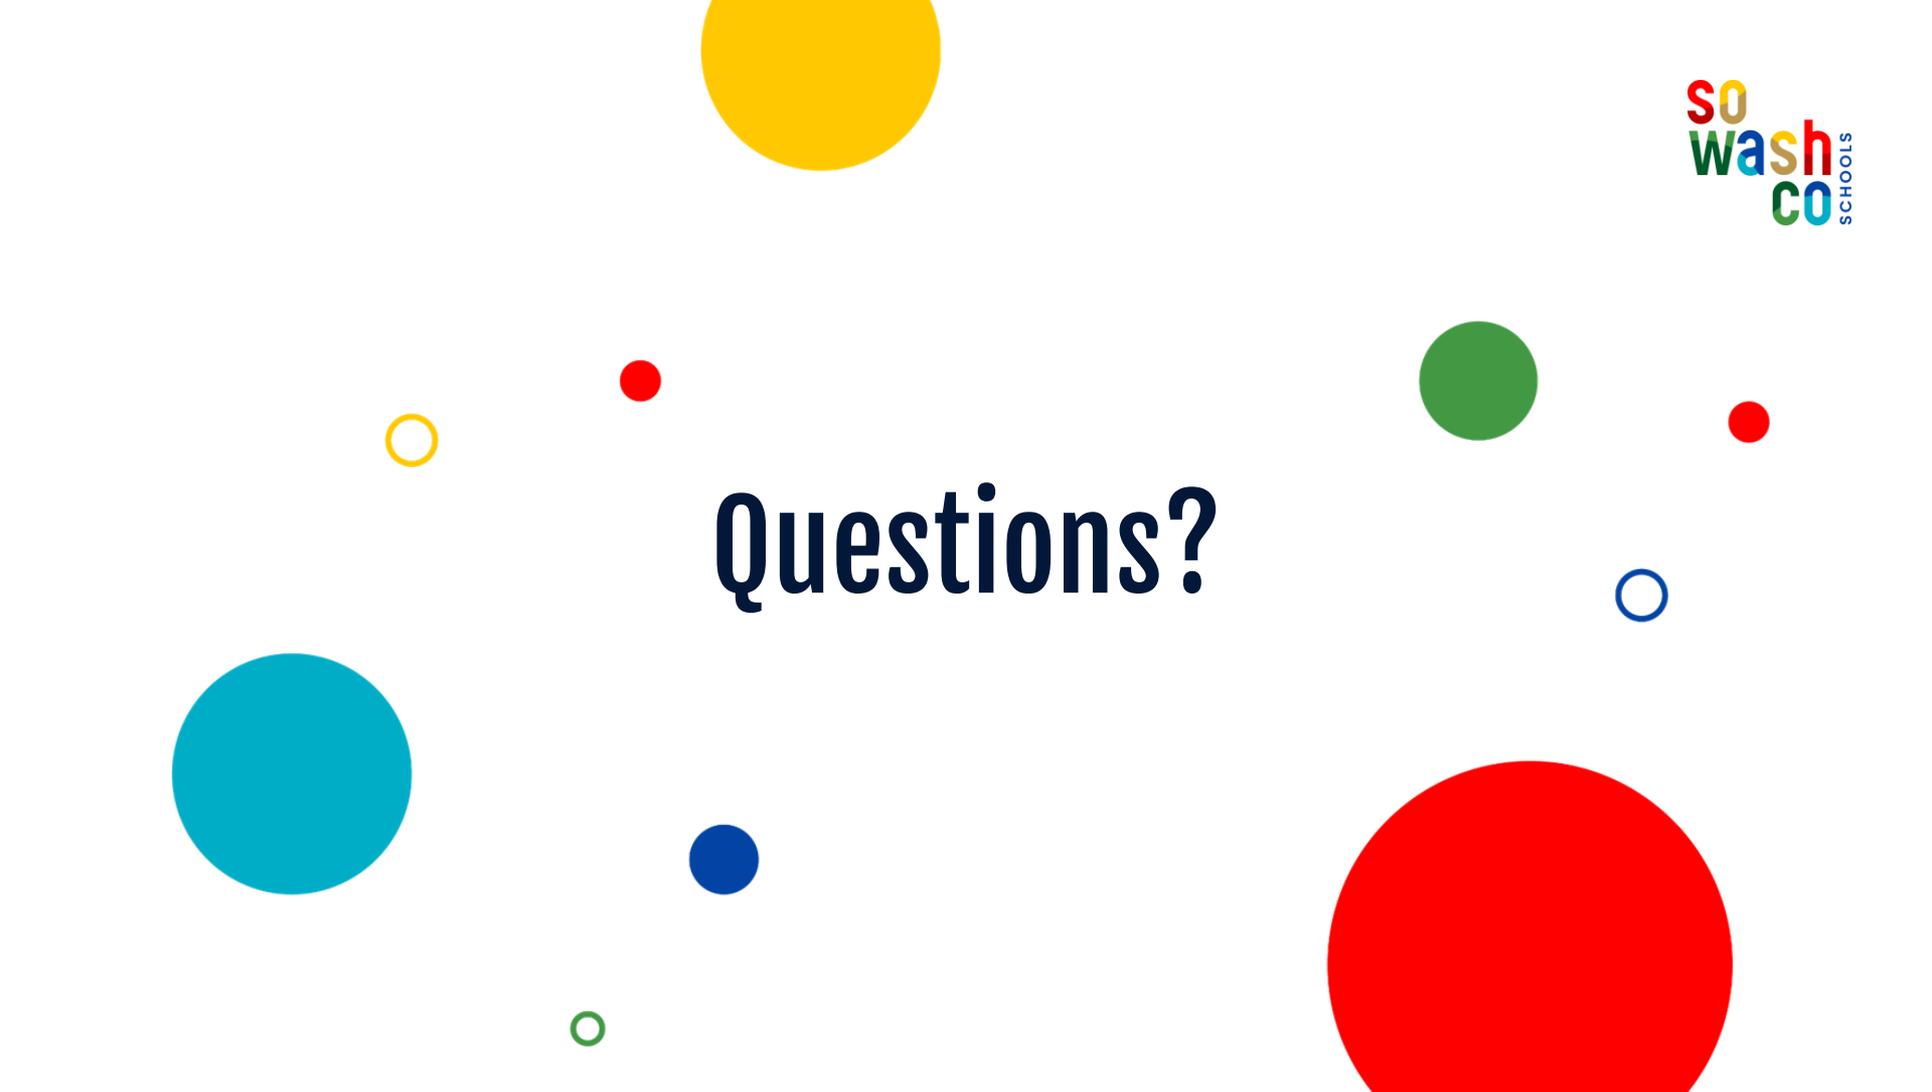

The background of the slide features several overlapping circles. A large teal circle is the central focus, containing the main text. To its left is a large, light beige circle. Below the teal circle are two smaller circles, one yellow and one green, which overlap each other and the teal circle. The overall design is clean and modern with a focus on bright, positive colors.

What are we willing to do to make sure all of our children are well?

The journey on the path to recovery starts
with a single step!

Next Steps

- July 12 Complete SIP & DIP Emailed to System Leaders
- July 14 through August 4
 - Support Sessions and Opportunities for Individual Check In
- Team Retreats – Kick Off to Improvement Planning:
 - **August 5 SIP Retreat** – 8:30–11:30 @ Oltman Middle School Auditorium
 - **August 12 DIP Retreat** – 8:30–10:00 @ DSC Board Room
