

## School-Parent Compact Agreement

Date: May 2017

Dear Parent/Guardian:

We value your role in working to help your child achieve high academic standards. The following is an outline of some of the ways you and our school staff can build and maintain a partnership to share the responsibility for supporting your child's learning experience.

### **School's Responsibility:**

- To provide high quality curriculum and learning materials;
- To provide you with assistance in understanding academic achievement standards and assessments and how to monitor your child's progress; and
- To provide opportunities for on-going communication between you and your child's teachers through annual parent-teacher conferences, frequent reports about your child's academic progress, and opportunities to talk with school staff, volunteer in class, and observe classroom activities.

### **Parent's/Guardian's Responsibility:**

- To encourage your child to attend school regularly;
- To encourage your child to show positive school behavior;
- To review your child's homework;
- To monitor television and computer activities and to encourage your child's use of other extra-curricular activities;
- To volunteer in your child's school and classroom; and
- To attend parent-teacher conferences and participate, when appropriate, in decisions that relate to the education of your child.

Please review this **School-Parent Compact (Agreement)** with your child. It may be discussed during a parent-teacher conference as it related to your child's academic progress. For additional information, please contact the person listed below:
