US/MS sign-ups take place prior to the start of a new school year, and students sign up for all three seasons. US makeup sign-up dates typically open two weeks prior to tryouts/assessments. MS sign-ups will close approximately one week prior to assessment start dates.				
SSTs: US Students may sign up for both Fitness AND a sport SST. Students can only sign up for ONE sport SST each season; enrollment caps apply. MS students may participate in Fitness during their competitive season. These are drop-in sessions. Students are limited to one athletics session per day (competitive sport or SST).				
Physical exams are required to be submitted annually to the TAS Health Office for all student-athletes participating in athletics.
