

Dear Delbarton Fathers:

Welcome to Fathers & Friends, a social, spirit, and service organization of all fathers of current Delbarton students. Delbarton is not just a school, it's an experience. Our motto, ***that here, we belong***, reflects our desire to ensure that all fathers can experience Delbarton.

We offer you multiple ways to get involved. Our goal is that by the time your son graduates, you can also say that you were part of the Delbarton experience. We have an active social calendar, from our inaugural Beefsteak Dinner, Poker Night, Night of Dialogue, and March Madness, to the Headmaster's Gala Dinner & Dance and Spring Golf Outing. In addition, our informal monthly networking / social events offer you the opportunity to meet with fathers across all grade levels to get to know one another a little better.

If there is one thing I can't emphasize enough, which is probably the same thing you have told your son at one point or another, what you put into it, is what you'll get out of it. I encourage you to get involved. Consider being a Class Captain or participating in one of our many social, spirit, and service events.

Please take a moment to view the various opportunities in our calendar and consider completing the Get Involved form on this page, you'll be glad you did!

Best regards,

Curt Ritter '89, P'22
