

School District of the City of Pontiac

Human Resources Office | Y'londa Kellum, Assistant Superintendent of Human Resources

I choose to opt out of medical, dental, and vision benefits with Pontiac Schools. For opting out, I will receive \$140.00 per month in a TSA/403b/457 plan through TSA Group (GLP). The \$140.00 will be deposited on the first pay of each month once an account with GLP has been established.

I attest that I have submitted proof of other medical insurance coverage to Pontiac Schools.
