

Multi-Sport Athlete Form

This form is for students participating in more than one sport or team during one sport season. This may be used by student-athletes participating on multiple Galloway teams and by student-athletes participating in a Galloway sport and an outside club/recreational sport.

Rules:

- 1.) Multi-sport athletes must declare one sport the priority in the pre-season before any competitions take place.
- 2.) Practices: the priority sport will take precedence over the secondary sport.
- 3.) Competitions: the priority sport will take precedence over the secondary sport and the priority sport coach has the final say over any conflicts.
- 4.) A practice & competition schedule must be created and attached to this form.
- 5.) A UL student-athlete may not receive two varsity letters in one season.
- 6.) A UL student may potentially not meet the lettering requirements for a sport if they are participating in an outside club/recreational sport. This should be made clear by the Galloway coach in writing when the practice & competition schedule is created.
- 7.) The school's athletic trainer must be made aware of the student-athlete's training & competition schedule and has the right to restrict participation if she/he has any health or injury concerns.
