How do we know if Wilberforce is right for our family?

- ☐ We desire a school that prioritizes spiritual formation and academic rigor.
- ☐ We want to be part of a school with small class sizes, where every child is seen and known, and where joyful Christian community is a priority.
- ☐ We seek a place where faculty partner with parents to equip students to be well-trained thinkers, writers, speakers, and leaders.
- ☐ We want to be in a community where students are able to participate in a broad range of activities, to explore and develop their giftings, and to distinguish themselves.

If this list describes you, then we should talk!
