

FINAL

SCC Meeting April 8, 2021

We started our meeting at 3:15, the meeting started with an ice breaker "what do you prefer hotdogs or hamburgers?"

Dr. Rodriguez spoke to us about the HB58 plan which is a list of school/community activities and lessons of things that the staff is doing to help students avoid and learn about drug, alcohol and vaping.

For example

Emotional learning: how do we learn about how to deal with emotions

Zones of regulations

How to talk to kids about vape

After School program

Safe utah app

Girls on the run

Kids heart challenge and how awards will be given to teachers and kids.

We then went over next year's family plan. We are hoping to get Claudio for our school since he has already established a great relationship with teachers and the community. Mrs Damm went over the application that contains agreements from Edison and the family coordinator. This is guaranteed for 3 years.

Academic family

We went over a few of the trainings that staff will be provided with to improve parent teacher conferences and better ways to do home visits. These trainings will be provided through the family agreement plan.

What are we doing for our family engagement plan

Parent meetings

Scs meetings

Porch visits

At Least 40% of parents are on seesaw

We went over prek and that registration is coming up starting april 19th.

Also summer school is from June14-July 16

We finished the meeting talking about our next meeting being our last meeting and it will be on May 15th.

Reunión de scc 8 de abril de 2021

Comenzamos nuestra reunión a las 3:15, la reunión comenzó con un rompehielos "¿Qué prefieres perritos calientes o hamburguesas?"

El Dr. Rodríguez nos habló sobre el plan HB58, que es una lista de actividades escolares / comunitarias y lecciones de cosas que el personal está haciendo para ayudar a los estudiantes a evitar y aprender sobre las drogas, el alcohol y el vapeo.

Por ejemplo

Ganancia emocional: cómo aprendemos sobre cómo lidiar con las emociones

Zonas de regulación

Cómo hablar con los niños sobre vape

Después del programa escolar

Aplicación segura de Utah

Chicas a la fuga

El desafío del corazón de los niños y cómo se otorgarán los premios a los maestros y los niños.

Luego repasamos el plan familiar del próximo año. Esperamos tener a Claudio para nuestra escuela ya que él ya ha establecido una gran relación con los maestros y la comunidad. La Sra. Damm revisó la solicitud que contiene los acuerdos de Edison y el coordinador de la familia. Esto está garantizado por 3 años.
