

St. Anne's-Belfield School

Grades K - 8 Uniform Dress Code

The St. Anne's-Belfield School uniform dress code deepens our sense of community while allowing students the freedom to focus on their passions and pursuits.

Ways to Purchase Uniforms:

- **Lands' End** [custom website](#) for St. Anne's-Belfield School that provides an interface to browse and purchase clothing items that have been approved by the School.
 - It is available all year, so families may purchase items as children grow and as the seasons change.
 - **Our unique school ID number: 900144775.** If you have any questions, please contact Lands' End directly.
- The Parents' Association (PA) operates **Saints' Closet**, a gently-used uniform sale in late summer and throughout the year starting in September.
 - Donations and consignments are being accepted in the gray bin in divisional offices through July 31.
 - Please [fill out this form](#) and include it in your bag of items and [click here](#) to learn more about Saints' Closet.
 - The PA will pay out at 30% of the sale price upfront for all "very good condition" consignment designated items. Items donated (not consigned) return 100% of proceeds to the Parents' Association to support its programming and initiatives.

Grades K – 8 Uniform Dress Code Requirements

- The School's Lands' End website reflects the clothing options and approved colors required of students at school.
- An exception to this general rule is that clothing in the "Activewear" category (t-shirts and mesh shorts) is only to be worn for physical education (PE) classes in Grades 5 & 6. Parents of fifth and sixth graders do not need to purchase PE wear for the outset of the year as locker rooms will not be open for student use. Should we decide to update the locker room policy, we will be in touch with parents in advance about clothing for physical education.
- Students are not required to have any particular items, and are not required to have all of the items on the School website.
- Pre-School students are not required to purchase or wear these items.
- You may elect to have Lands' End print a School seal on many of the items that you purchase, but doing so is not a requirement.
- Socks for all students need to be school colors.
- Skirts and dresses cannot be more than four inches above the knee.
- Leggings should only be worn as tights under a uniform skirt or jumper, not worn alone as uniform pants.
- Students may only wear sweatshirts and sweaters that have been purchased either from Lands' End or the School Store.

St. Anne's-Belfield School

- Jackets and outerwear need not be purchased from Lands' End, but such attire may not be worn inside buildings during the school day.
- Students in Grades K-6 should wear athletic shoes or sneakers to school each day for participation in recess and PE. Grades 7 and 8 students may wear sneakers or boots. All shoes should be closed toe and have backs.
 - K-8 students may not wear sandals, flip-flops, crocs, or shoes with wheels.

Blue Denim Days

On Blue Denim Days, students may wear a Lands' End uniform top with jeans of their choosing that are in good condition without holes or tears. No jean shorts, skirts, or colored denim. In the Learning Village, Blue Denim Days are the first Thursday of every month, unless otherwise announced.
