Welcome

Welcome to our recommended reads guide.

This is a new project that we started working on last year. It's still very much a work in progress so make sure to check back regularly to see new updates.

Under the Recommended Reads drop down menu you will find a list for year 3-6 in the British Section. Year 1 & 2 will be coming soon. These guides have been created solely as a starting point for finding books. We recommend that for more personalized recommendations you visit the library and speak to a member of staff.

For information on books for EYFS students please refer to the

Early Years: learning to love books! guide.
