

**SAAS 9-12th Grade Supply List**  
2020-21

At the high school level, we expect that most students have a sense of the school supplies they need in order to meet their learning needs. We encourage families to acquire the following items to student facilitate learning:

1. Writing utensils of your choice (highlighters, pencils, pens in different colors)
2. Notebook and/or binder(s) and/or loose leaf paper
3. Calculator: TI 84 (The TI-84+ can be purchased at most office supply stores for under \$110.00. They are often on sale in July and August.)
4. Working technology - laptop (w/ web camera), microphone/headphones, internet connectivity

Note: Class specific materials will be available for pick up during materials distribution pickup times.
