

COVID-19 Summer Programming Safe Learning Plan

School Board Meeting
June 14, 2021

DISTRICT196®
One District. Infinite Possibilities.

What's Changing for Summer

As regulations and executive orders expire with changes in the pandemic, we will return to our primary focus on education, integrating COVID-19 response into our existing pre-pandemic public health support.

GOAL: Support and work with families to help mitigate spread.

- Increased self/family responsibility and choice
- Masks are optional in most settings, but are still recommended by MDH/CDC
- Contact tracing, isolation/quarantine is the responsibility of individuals

Requirements for Summer

- Continue to use the RedCap Survey to report positive cases to MDH
- Staff and students need to self-report to administration if they are COVID-19 positive, and/or self-isolating or self-quarantining
- Isolate when sick (all vaccinated and unvaccinated persons)
- Quarantine if unvaccinated and a household member is COVID-19 positive
- A general notification letter of positive case will be sent to learning community
- Cleaning protocols
- Supply PPE - disposable masks, sanitizer etc.
- HEPA filters in instructional areas
- Masks in certain situations only

Masks and Face Coverings

REQUIRED

Masks must be worn on transportation vehicles to and from instructional activities (*CDC requirement*)

Masks must be worn in Driver Education Vehicles (*CDC requirement*)

Masks must be worn in child care settings (SACC) when indoors through June 30 or until the state reaches a 70% vaccination rate (whichever comes first)

RECOMMENDED

Masks are optional on transportation vehicles for co-curricular activities

Masks are optional in all instructional and classroom settings

Masks are optional in child care settings (SACC) when indoors after June 30 or after 70% state vaccination rate (whichever comes first)

Masks are optional in outdoor child care settings

Mask breaks as needed

Social Distancing

No social distancing requirements, however staff is encouraged to rethink instructional strategies and activities when possible.

GOAL: Create as safe of an environment as possible, without impeding academic progress.

- More distance between staff, students and all involved in summer programming is safer
- Grouping students is safer
- Being outside is safer
- Instrumental and music activities with distance is safer

Lower Your Risk

Public Comment

- Open from June 14 through June 18
- Required by the Department of Education in order to access critical ESSER funds
- Access the survey on our COVID-19 Dashboard by visiting **District196.org/covid19**
