

SafeTransport Family App

Computer Aid

1. Search and download the SafeTransport Family App in the Apple App Store or Google Play
2. Add Upper Perkiomen as your school district, regardless as to what school your student attends. If they ride our UPSD buses, this app is for you.

- Pick up and drop off screens with bus progression bar for each run.
- Early and late bus notifications
- Next stop notifications
- Weather information
- Calendar information

- Bus assignment pages with more detailed information about your bus run.
- Notification system sends messages from UPSD Trans Team
- Be sure to setup your notification settings in the app menu
