

Welcome to Adventure Club

Adventure Club is the School-Age Child Care Program of Robbinsdale Area Schools. There are several convenient locations at district schools for students in Kindergarten through fifth grade. Hours are 6:30 am until 6 pm.

Adventure Club is staffed by trained professionals who have a combination of education and experience especially suited to working with school-aged children. With curriculum designed to enhance learning, students are encouraged to make choices, practice decision-making skills and build positive peer relationships.

Activities

Our program offers extracurricular activities which are designed to promote social-emotional development, involve physical activity and achieve educational goals. Daily activities include gym games, science experiments, cooking projects, social recreation and art.

Program Dates

The Adventure Club Before and After school program opens on the first day of school and ends on the last day of school, as set on the Robbinsdale Area Schools calendar.

School Release Days

Adventure Club is open for many days that school is closed. These days are separate from your regular schedule and online registration opens after the first day of school. School Release Days sites may vary. Hours are 6:30 am until 6pm.
