

Upper Perkiomen School District Residence Verification

The Upper Perkiomen School District requires verification of residence of students enrolling in the local school district. This includes students providing a change of address at any time during the current school year.

Provide two of the following documents showing address at which the parents/guardian and child will reside on a continuous, permanent basis. If the necessary documents are not received at the time of registration, your child will not be considered enrolled and will be unable to attend school until all forms are secured by the Upper Perkiomen School District.

- Verification 1
 - Lease Agreement
 - Settlement Documents
 - Mortgage Statement
 - Sales Agreement
 - Deed
 - Real Estate Tax Bill (for those residents that have owned residence in district for 5+ years)
- Verification 2
 - Utility Bills – The bills shall bear the address at which child will reside on a continuous, permanent basis. Date of utility bills shall fall within 15 days of the date the student registers.
 - Notification of change of mailing address from post office within 30 days of registration date

If you are moving in with a resident of the Upper Perkiomen School District, the following documents must be submitted along with two verifications of the owners address:

1. Affidavit of Multiple Occupancy (notarized and completed by owner & lessee)

The school district may conduct neighborhood observations on a random basis throughout the year to verify compliance to the conditions of residency. I/We assume responsibility for notifying the building principal(s) of the school(s) my/our child(ren) attend(s), should the above circumstances change. Failure to inform the Upper Perkiomen School District of the changed circumstances, I understand my child(ren) will be removed from school and could result in our responsibility for; but not limited to tuition, legal costs, court costs, and administrative costs.

The information provided is true and correct to the best of my knowledge.
