

Special Bulletin - July 9, 2021

2021-2022 Schedule

We will return to the pre-pandemic schedule when school resumes in August. School will run from 8:30 to 3:15 daily. Regular drop-off time will start at 8:10 am and students may enter the building starting at 8:20. Pick up time will be at 3:15.

Summer Construction

Our summer construction projects are well underway and on schedule to be completed before the start of school. The roof project will replace the roof on about 40% of the school. This project was necessary because over the course of almost 70 years we have created a building with 17 different roofs. This project and the subsequent projects will create one unified roof and will eliminate any leaks or other issues. Installation of our two portable classrooms is scheduled to take place the week of July 26th. It will create much-needed additional space for the school. Our hope is that these portable classrooms will be a temporary step toward a future building project to create permanent additional teaching, recreational, and storage space.

Mass at Sacred Heart

Reservations are no longer required to attend Mass at Sacred Heart Church. Just show pick your Mass and show up. There are still spaces available for those who prefer socially-distanced seating.

We have a great need for additional Eucharistic Ministers, Sacristans, Ushers, and Greeters. Please take some time to prayerfully discern if you are being called to a Liturgical Ministry at Sacred Heart Church. This is our parish. We all need to work together to make it thrive. If you are interested in volunteering for any of these roles or have would like more information, please email volunteer@sacredheart.org

Summer Play Dates

Please save the dates and plan to attend your children's grade level play dates! These summer get-togethers are a great way to stay connected over the break, meet and help welcome new incoming SHS students and families, and to have some fun!

Following are the dates and times for each grade level's summer get togethers. Additional details and any updates will be sent via Bloomz. All grade level play dates are organized by your grade level Classroom Community Coordinators (CCCs) who look forward to seeing you all soon!
