Parking in the student parking lots are on a first come first serve basis. Students parking in the student parking lot must park in a legal parking space. Vehicles are to be operated on designated roadways and parking lots only. Drivers are prohibited from driving or parking on any natural areas of District property without the consent of an administrator. Students who violate the parking regulations of the school will be issued a parking citation through the City of Wausau. If problems continue, the privilege of parking may be denied at Wausau East High School. The administration reserves the right to deny students from access to parking privileges. Any student observed driving dangerously on school property will be referred to the Wausau Police Department for appropriate legal action as well as being subject to possible school disciplinary action.

Students are not allowed to be in the student parking lot, except when going to or coming from their vehicle. Students are not allowed to sit in their vehicles in the student parking lot. Violation of these rules will result in appropriate disciplinary measures being taken.

As is the case with student lockers, students who park a vehicle on School District property, should have a lowered expectation of privacy. Cars may be searched if reasonable suspicion has been determined by administration. Canine units/local authorities may be used to randomly search vehicles.

I have read and certify that I have a valid driver's license and will abide by these rules/regulations:
