

LIVE OAK STUDENT PARKING PERMIT APPLICATION

First Name _____ Last _____ Permit # _____

Student Driver's License# _____ Student ID# _____ Grade _____

Car Make & Model _____ Year _____ Color _____

Vehicle license plate # _____ 2nd car _____

Student parking on Live Oak High School campus is a privilege, not a right!!! The parking fees are a fundraiser for ASB activities which benefits you as a student. All parking privileges will be at the determination of the Live Oak Administration. This includes the final determination of all vehicles entering, parking, and exiting Live Oak High School campus. Student vehicles are subject to the regulations imposed by school policy as it is written in the "Student Handbook". All vehicles, drivers and passengers are subject to a search upon entering Live Oak High School campus. Students may obtain a parking permit under the following conditions:

1. Student must possess a valid California driver's license.
2. Student must attach a copy of insurance.
3. Student must have all fines cleared.
4. Student agrees to park in the student designated parking areas only.
5. Student will not access parking areas except when arriving to or leaving from Live Oak High School. Students will remove all books, lunches, homework, clothing, etc. from cars so as not to have to return to the parking lot until it is time to leave campus.

LOCK YOUR CAR!!!

Permits may be obtained through the ASB Office for a fee of \$40.00 w/ASB, 60.00 w/o ASB. Students will not be allowed into the school parking lot without a permit. Permits must be displayed **on rear view mirror or dashboard** in the vehicle. Cars without visible permits will be issued a citation. There is a \$40.00/60.00 fee to replace a lost/stolen permit decal hanger. Permits may be withdrawn or suspended for students failing to comply with the conditions cited, at the discretion of the administration. Students who speed or loiter can have their parking permit revoked. Any attempt to make copies of parking permits will result in the loss of parking privileges to ALL those involved. Live Oak High School is not responsible for theft or damage to vehicles. Students park at their own risk. Students can not get a parking permit without paying current fines.

I have read and understand all the above school parking regulations. I have adequate proof of insurance in my vehicle as is required by law. I agree to abide by the parking lot policy and understand the school may take appropriate disciplinary action should I fail to comply with these regulations.
