The mission of Helen Keller Elementary is to collaborate with the community to empower students to reach rigorous, yet attainable, academic and social goals.

School Funding

District General Fund Budget: \$466.2 million
District Per Pupil Expenditure: \$13,788.87 per pupil
Building Budget for this school: \$56,512

School Description

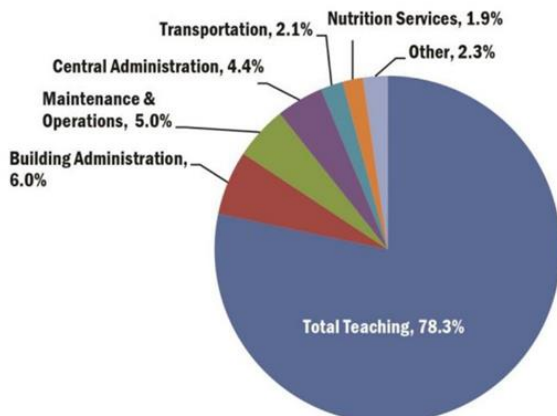

Helen Keller Elementary School, located in Kirkland, Wash., is a K-5 school located in the Juanita region, in a well-established residential neighborhood.

With our mission in mind, we provide an excellent instructional program for a diverse community of students. We support students through our English Language Learner and intensive academic support programs, and we house three Learning Centers, serving district students in grades K-5 with developmental needs. Keller students have done well on state testing over the years, making steady gains.

Helen Keller Elementary School has a strong, involved community with many parents and neighbors. The school has become a community hub thanks to staff and volunteers.

2019-20 District Expenditures

Where does the money go?

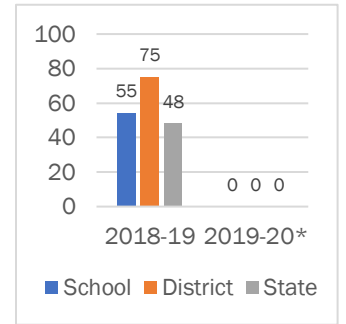

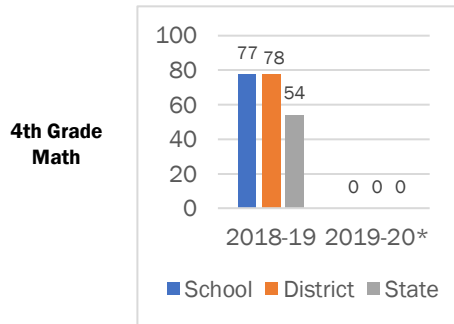

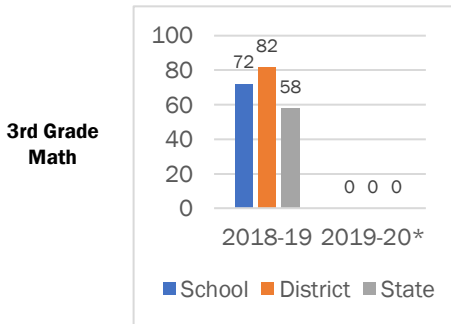

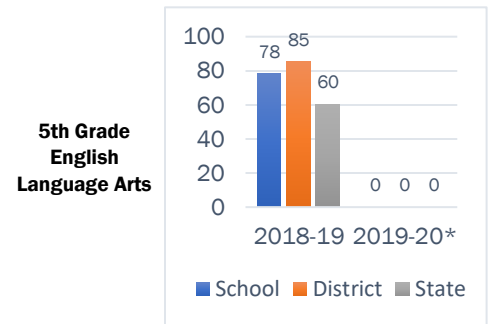

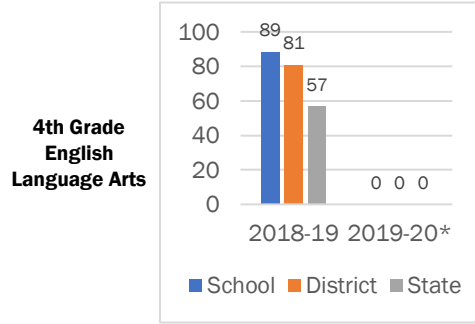

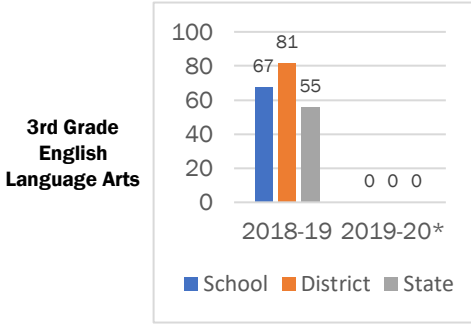

2019-20 School Goals

The process used to determine annual school goals includes an in-depth building-wide analysis. Teachers set grade level goals in both reading and math and 5th grade science.

- K-2 Reading: 85.7% at benchmark on end of year DIBELS
- Grades 3-5 English Language Arts: 71.7% at standard
- Grades 3-5 Math: 76.7% at standard
- Grade 5 science: 80% at standard
- Achievement gap: 81.2% of Hispanic students in K-2 will meet benchmark on DIBELS and 81.2% of Hispanic students in grades 3-5 will meet standard on ELA SBA
- School effectiveness: 80% of staff agree mostly or completely that "staff works in teams across grade levels to help increase student learning"
- Attendance: Increase the average daily attendance rate from 95% to 98%
- Discipline: School administration will have fully implemented a discipline tracking system to communicate discipline issues and focus on re-teaching opportunities

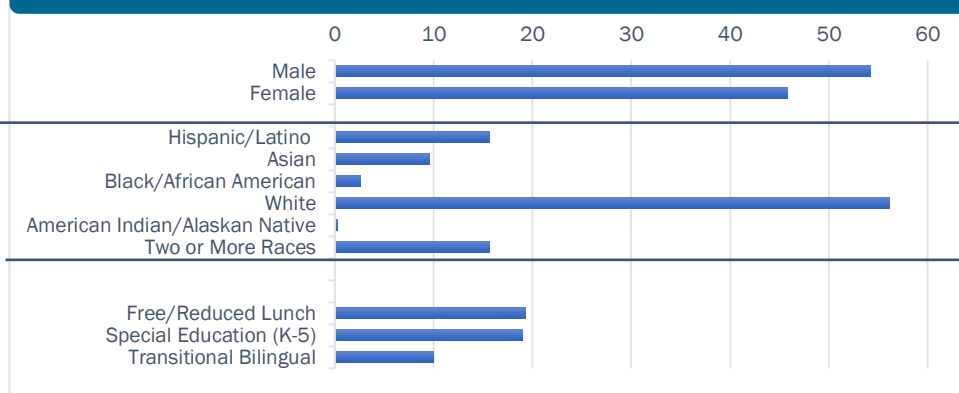

State Assessment Results

Smarter Balanced Assessment (SBA)

*No State Assessments occurred in Spring 2020 due to COVID-19.

Student Demographics

School Building

Our school facilities are available for public use by contacting our school office.

Building Condition Assessment: Good

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.

Invitation to Participate

One of Lake Washington School District's Strategic Plan Goals is Community Engagement. Families and community members are encouraged to participate in our school. Volunteers are trained and work in a variety of positions. Due to COVID-19, volunteer opportunities are limited to essential activities only. To get involved, call our school office.
