## School Description

At Margaret Mead Elementary School, we focus on preparing students to become lifelong learners and successful citizens. We place emphasis on students meeting and exceeding academic standards. We emphasize good citizenship by expecting every student to consistently demonstrate The Mead Way: **Making Wise Choices; Expecting our Best; Acting with Kindness; Demonstrating Respect.**

To reach the goal of high academic achievement, we teach to the state standards using LWSD curricula. Our classroom instruction subscribes to research based-best practices including clearly defined learning targets and frequent feedback. Our staff works in Professional Learning Communities – teams of teachers working collaboratively to best support student learning and teaching practice. Our students demonstrate high achievement with more than 80% of students demonstrating at standard or higher scores on state assessments.
