

T-Mobile Work Perks just got better! We now have our NEW **Magenta Max**, which replaces Magenta Plus. This means when you switch to T-Mobile, you will get more at the same great price! With the new program, I have included updated information and flyers; let me know when the marketing has been switched out!

**Want more information? Be sure to sign up [here](#).**

Join today and save at least 20% monthly over Verizon or AT&T with zero cost to switch! Keep the device you know and love and we'll pay it off (up to \$650).

Need a new phone? No problem! We've got lots of great offers, like an iPhone 12 on us when you activate and trade in a qualifying device.

Plus...Switch today and for a **limited time**, get your **3rd line for free** and save at least **20%** monthly over Verizon or AT&T.

**Ready to start? Call 1.855.540.9947** to get started and also receive your Assisted Service Fee of **\$30** per line waived. That's \$120 savings on four lines!

Here's what you will get with the **New Magenta Max Plan**...

- Unlimited talk, text, and smartphone data on our 5G & 4G LTE network
  - 5G access with compatible device & coverage area
