

**Free Breakfast And Lunch Meals For All TPSD Students All Year**

**TUPELO, Miss.** — All Tupelo Public School District students will be provided free breakfast and lunch meals for the entire 2021-22 academic, provided by the USDA Seamless Summer Option of the National School Lunch and Breakfast meal programs.

In order to receive additional program benefits through USDA, such as additional funds for Pandemic programs (P-EBT and others), a meal application on the on-line registration form must be completed for processing.

Students who bring their own meals from home may also pick up a free meal from the school cafeteria, with their choices of food items to supplement what they brought.

All students may choose to start their day with a nutritious hot breakfast every day from the school cafeteria. After 7:35 a.m., a grab-and-go breakfast will be available to all students with last-minute arrivals. Extra food items are available for purchase when a student has funds in their meal account or cash to give the cafeteria cashier.

Staff and Visitors may purchase full complete breakfast meals at \$2 and lunch meals at \$3.75 or food items separately from their meal account or cash for the cafeteria cashier.
