

Troutman Elementary School Supply List 2021-2022

***Please do not purchase any Clorox/Lysol wipes. TES was able to use federal COVID money to purchase every teacher an ample supply of wipes to start the school year and we will be able to purchase more wipes as needed throughout the school year.

***This year, the school was able to provide items such as pencils, colored pencils, erasers, paper, and folders to some of the grade levels. If any of these items are not listed on the grade level's supply list, you are not required to purchase the items.

***Water fountains will continue to be turned off this year as part of COVID protocols. Parents may donate bottled water to their child's classroom or school at any time throughout the school year. Small (8 oz.) and large (16 oz.) work well for students.
