Use of Student Photo, Video, and Information

Student photos, videos, or work samples are used by District 69 in publications, on its website, for presentations, or with school social media. In addition, print/broadcast/online media may visit District schools to photograph or video students involved in activities. In both cases, first names of students may be used to identify their work.

No names will be posted with photographs, except in yearbooks and/or school/class composites, without parent/guardian notification.

By signing this form, I hereby give permission and consent for District 69 to use my child's photograph and projects as described above. This agreement will be valid for the duration of your child's enrollment in District 69 unless you revoke it by submitting a Do Not Use Student Photo or Information Form. Please contact your building principal to obtain this form.
