Dear Our Savior Lutheran Preschool and Pre-K Parents,

Arts Alive! is so excited to bring our program to your school!

Each Arts Alive! Creative Movement class is taught by an energetic and highly trained teacher armed with a suitcase full of intriguing props, an engaging soundtrack and the magic of Arts Alive! to provide an incredible journey of imagination, creativity and learning!

Our play-based, thematic curriculum teaches each student fine and gross motor skills, social and communications skills, as well as cognitive and problem-solving skills. Practicing all of these skills together, while moving and using their imagination, students unlock the higher-order thinking center of the brain. Arts Alive! classes set up each student for future success as they learn and play in the moment!
