

GLASS GYMNASTICS

@ Our Savior Lutheran

The Ultimate Gymnastics Learning Experience –Where the fun never stops!

Ages 3 and up have the opportunity to participate in a program designed for boys and girls to develop gross motor and fine motor skills. All ages will be instructed, from beginner skills through advanced gymnastic skills.

Gymnastics lends itself to the development of a body and is a self-motivating activity which, through proper instruction, can be rewarding in many areas. *Strength, flexibility, balance, endurance, and coordination* are some of the physical rewards gained through gymnastics. The development of *courage, self-control, self-confidence, and creativity* are just a few of the many other rewards one can gain through gymnastics. *No other training improves motor skills and body control better than GYMNASTICS.*

Classes are to be held here at school and are 45 minutes in length.

The cost is \$75 per month with a \$25 annual registration fee per student. A full month's tuition is due each month, regardless of holidays or missed classes.
