

It's never too early.

Plan today for your child's education.

As a parent, you can help your child by starting a college savings plan early.

Plan ahead, and you can lower the cost of college, university or technical school in your child's future. Save now, and your child will grow up knowing that college can be part of his or her dreams.

GET makes it easy to save.

Washington's Guaranteed Education Tuition (GET) Program helps families save for college.

Once you open a GET account, you can add money to it whenever you want. Even small amounts add up over time. You can also save through a regular monthly payment. Either way, your account is guaranteed to increase in value. Your child will thank you for years to come.

Education helps build success for a lifetime.

Visit get.wa.gov or call 1.800.955.2318

Washington State's
529 Prepaid College
Tuition Program

Watch your savings grow with Washington's **GET Program.**

It's easy: Sign up online at www.get.wa.gov. Or, email GETInfo@wsac.wa.gov to ask for an enrollment form.

It's safe: A GET account takes the worry out of saving for college.

- Your account is **guaranteed** to increase at the same rate as college tuition, no matter how much it goes up in the future.
- You can make changes to your account if you need to.
- Grandparents, aunts, uncles and friends can add money to your child's account.
- As Washington's 529 plan, GET offers tax-free growth and withdrawals.

You can use it anywhere: Your child can use GET at nearly any college, university or technical school in the country.

Questions about GET?

Call **1.800.955.2318** or email GETInfo@wsac.wa.gov.
Visit www.get.wa.gov for more information.

The GET Program is administered by the Washington Student Achievement Council.
