**2024-2025**

McCallie Athletics provided exceptional memories and championship experiences in 2023-24, not only for the amazing number of boys who participated in athletics [more than 72 percent of all students], but also for the McCallie community – parents, grandparents, families, faculty and staff, and supporters.

It was a record-setting year that featured state championships, a national title, a No. 1 national ranking, and the area's Athlete of the Year.

Athletics at McCallie are a large component of student and campus life, and we would like nothing better than to keep it rolling.

In order to ensure our continued success, we need your help – by supporting McCallie Athletics and joining the McCallie Tornado Club.
