Building Purchase Clarification

Parent Survey - Questions about pursuing other properties

- In the past 4 years, we have visited numerous buildings in Marlborough and many more in the years prior to 2017.
- We have nearly purchased three other properties since 2018
 - Had a P&S on two other properties since 2018
 - Had a fit plan on three other properties since 2018
- In the end, lack of money has prevented all of these projects from moving forward.
- As a charter school, we can not fund building projects the way a traditional public school can. (Mass Building Authority or property taxes)
 - We depend on bank loans and fundraising etc.
