

Safety Protocols At-A-Glance

The King's Academy is committed to the health and safety of each student, faculty and staff member. During these unprecedented times, the following safety protocols have been established to ensure the safety on campus.

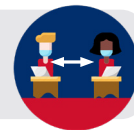

1 Face coverings required indoors for ALL visitors and for unvaccinated faculty and staff

2 Daily health screenings for students, faculty, and staff at home

3 Socially distanced classroom seating (3 feet)

4 Hand sanitizing stations in each classroom and across campus

5 Daily professional cleaning/disinfection of classrooms/high traffic areas

6 Disinfecting UV light bars installed in AC units

7 Expanded outdoor covered dining areas

8 Safety training for faculty and staff
