

Middle School Supply List 2021-2022

Dear Parents,

The following items are needed for the students' classes. For your convenience, items are hyperlinked for online ordering. If you find similar items that are cheaper at a different company or website, then please feel free to purchase from those companies.

The hyperlinked items are just a suggestion.

Students will be able to use cubbies in their homerooms during the fall semester. Once we move into the new academic building, students will get their own locker.

At STE, all students receive a home copy of their textbooks which is kept at home during the school year. Every classroom has communal textbook copies which students use at school. Students do not need to bring their home copy textbook to school.

To keep weight off students' backs [roller backpacks](#) are also highly encouraged to use.

We encourage students to have a filing system at home to keep their paper materials organized and neat. On the first day of school, teachers will give more instructions on which materials will need to be brought to class daily.

Some elective teachers will give their supply lists at the beginning of the school year.

If you have any questions about the materials, please contact the individual teacher.

We look forward to seeing you soon!

Middle School Supply List 2021-2022

6th Grade

GENERAL SUPPLIES

- 1 x [pencil case](#)
- 4 x [red pens](#)
- 4 x [black pens](#)
