AUGUST 2021

VISION FOR THE
21-22 SCHOOL YEAR

A Message from Mrs. Langerman

Welcome back Tigers for another amazing year! This year will be a new role for me as your head principal, and I am so excited to begin this journey with you. As we grow together this year, I felt it extremely important to share our vision for MES with our local community and families.

As we step into the 2021-22 school year, our vision is: **Through the collaboration of the community, parents, students, and staff, McLaurin Elementary School will become a model of academic excellence.** Please know this vision is a living, breathing goal for our future as a school as we seek to sustain the academic excellence that continues from the hard work of our staff, students, and our families!

WHAT'S INSIDE

Vision for the
21-22 School Year

Getting to Know Your New
Principals

First Day of School
Information

Our theme this year is "Our Mission is Magic: Mission Possible!" Please look for our videos and social media posts as we look to have lots of fun making everything possible at MES!

We look forward to working closely with our community and families in the days to come to deepen and build relationships and strive to show that McLaurin Elementary School truly is the best!

Getting to Know Your Principals

This summer, the administrative team spent countless hours working together to learn, grow, and plan for another great year at MES! Here are a few things they would like to share:

Mrs. Langerman, Head Principal

- **Former Experience:** Six Years as the Assistant Principal at McLaurin Elementary School, National Board Certified Teacher in English, Later Adolescence
- **Favorite Colors:** Green and Blue
- **Favorite Animal:** Sea Turtles
- **Favorite Hobbies:** Reading and spending time with family
- **Something Unexpected:** "I come from a big family, and I have nine siblings. I love every one of them!"
- **Dream:** "Professionally, to be the best principal I can be to MES! Personally, one day to swim with dolphins!"

Mrs. Boteler, Assistant Principal

- **Former Experience:** Two Years as the Literacy Coach at Richland Elementary School, Eight years teaching at Florence Elementary School
- **Favorite Colors:** Red and Pink
- **Favorite Animal:** Dogs (I love my fur babies)
- **Favorite Hobbies:** Going on trips with my husband and reading
- **Dream:** "I want to be the best person I can be for my family and the students, teachers, and families at MES. I also want to travel to London."

BACK TO SCHOOL

MCLAURIN ELEMENTARY SCHOOL 21-22

First Day of School

Our first day of school for students is August 6, 2021 and we are so excited to see them return! Since teaching and learning begin day 1 at McLaurin Elementary School, only our Pre-Kindergarten and Kindergarten students may be walked to class by parents and family members. This gives our teachers a chance to start off strong with all the wonderful lessons they have prepared to engage your students!

We are however, so excited to be opening our doors again this year to family members with our **Meet the Teacher night on August 5, 2021.**

This is a night our staff has set aside to meet with you and your student, and is a great time to drop off school supplies, see the classroom, and take that Back to School picture with your student's teacher.

Remember, residency information and registration must be complete for students to be placed on a class roll! We ask that all registration be completed by August 3rd so we are able to ensure our class rolls are complete. We look forward to seeing you at our Meet the Teacher Night!

Reminders for the First Day of School:

- Only Pre-K and Kindergarten students may be walked to class as this is their first school experience. If students are new or do not know where their classroom is, we have staff on hand to escort them. Staff can also take school supplies to classes for students.
- Registration must be completed for students to be placed on class rolls.
- There will be no breakfast served on the first day of school. Please plan accordingly. Breakfast will be served beginning Monday, August 9, 2021.
- The office will not be able to take residency documents or register new students until after 9:30 a.m. on August 6, 2021. This is to ensure a safe start to school for all students.
- If you or a family member is experiencing symptoms of Covid-19 or have tested positive, please call the office at (601) 845-2127 before sending students to school.
- Lunch will be served on the first day of school!

If you have any questions, please reach out to us! We are looking forward to another great year!
