

Dear Parents:

It is hard to believe how fast summer has gone and that it is time once again to pay fees, fill out forms and sign electronic documents. We are excited about seeing your students in August.

The Fee Payment and Fall Registration is now open. Here is the link for the registration time line and instructions: [Fall Registration Information](#)

We are also hosting a volleyball clinic and a basketball camp in August. Here are the links for the flyers and registration for both activities.
