- I compiled an Amazon list of supplies that I would suggest - unfortunately most things on Amazon need to be purchased in bulk - BUT you could use the list as a reference when at the store. **Refer to the QUANTITY I have on this list NOT on my Amazon List.**

Here is the link to the list: [Amazon List: Ms. Kielty's Suggested Supply List for 2021-2022 School Year](#)

 - Look for ½ inch quad-ruled pages. Please DO NOT purchase anything less than ¼ inch!
 - Here is a good example: [Graph Paper Notebook](#)
 - - Sometimes these are listed as "2 x 2" or two squares per inch.

We will begin this school year with personal supplies. If and when it is decided that it is safe, we will transition to using more community supplies.

Eventually students will be encouraged to organize their academic work & supplies in a way that works best for them. I created this list to encourage every student to start with a good foundation!
