	Eraser	1
	Pencil Pouch	1

[Math Journals - Amazon](#)

Look for ½ inch quad-ruled pages. Please DO NOT purchase anything less than ¼ inch!

Here is a good example: [Graph Paper Notebook](#)

- Sometimes these are listed as “2 x 2” or two squares per inch.

We will begin this year with PERSONAL supplies. If, and when it is deemed “safe” to do so, students will transition into community supplies.

This list is intentionally minimalistic

Eventually, students will be encouraged to organize their academic work according to personal preference. However, everyone will begin the year with equal footing.

As always, if you have any questions- please feel free to reach out at your convenience!
