

Peter Kirk School Supplies for 2021 - 2022

Next fall, families will once again be asked to contribute a \$25 donation to purchase supplies for student use. The school will pool the contributions and take advantage of savings associated with bulk buying. Scholarships are available for families.

Each child will be issued their own box with supplies for use in the classroom. Supplies will NOT be communal, and boxes will be labeled with student names.

Should your family prefer to purchase school supplies individually online or from stores, here is the list. If you opt to contribute \$25, **you do NOT** need to purchase the items below.
