

Health and Safety Plan Summary: Susquehanna Township School District

Initial Effective Date: July 13, 2021

Date of Last Review: July 12, 2021

Date of Last Revision: August 2, 2021

- 1. How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?**

STSD will frequently monitor local conditions and implement a layered approach to prevention and mitigation strategies based on guidance from local health officials, CDC, and the American Academy of Pediatrics. The board approved health and safety plan summary will be posted on the district's website and shared with all stakeholder groups to ensure consistent deployment throughout the district. The contents of this plan and guidance from the CDC will be reviewed frequently and amended as needed to meet the health and safety needs of district stakeholders.

- 2. How will the LEA ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services?**

STSD approaches and processes to ensure the continuity of services are based on a systems-perspective to manage and lead all parts of the organization. The District's Leadership Improvement Model ensures that all stakeholder needs are determined and balanced before any direction is set and plans deployed. Performance is monitored and measured throughout a continuous cycle of improvement to ensure learning and improvement. Through this system, the District will consider the needs of all stakeholder groups, departments, and critical success factors to address the needs of learners, academic learning, health and safety, facilities, food service, technology and team member needs. Action plans have been developed to ensure the continuity of learning. In addition, the District's organizational agility and learning from the previous year will position the District to anticipate and act on student and stakeholder needs.

- 3. Use the table below to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.**

ARP ESSER Requirement	Strategies, Policies, and Procedures
<p>a. Universal and correct wearing of masks;</p>	<ul style="list-style-type: none"> • Given new evidence on the Delta variant, the District will follow the CDC recommendation for universal indoor masking for all teachers, staff, students, and visitors to K-12 schools, regardless of vaccination status. <ul style="list-style-type: none"> <u>Face covering exemptions for Students:</u> <ul style="list-style-type: none"> ○ Eating or drinking; ○ Face covering break; ○ Outdoor activities where social distancing can be observed; ○ When wearing a face covering creates an unsafe condition; ○ Medical or mental condition or disability documented in accordance with a 504 Plan or IEP that precludes wearing a face covering. <u>Face covering exemptions for Staff:</u> <ul style="list-style-type: none"> ○ Eating or drinking; ○ Face covering break; ○ When wearing a face covering creates an unsafe condition; ○ Medical or mental condition or disability documented in accordance with ADA; ○ Staff member is alone in a vehicle or private office. • Face coverings will be required on all District transportation for students and drivers.
<p>b. Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding);</p>	<ul style="list-style-type: none"> • To the extent feasible, and per CDC guidance: <ul style="list-style-type: none"> ○ To the extent feasible, the number of individuals in classrooms and other spaces will be limited to permit social distancing of three (3) feet; ○ To the extent feasible, desks will be turned to face the same direction and students will only sit on one side of a table; ○ Alternate spaces may be considered for meals to permit social distancing of at least three (3) feet; ○ Students will be encouraged to practice social distancing in hallways and common areas, to the extent feasible.
<p>c. Handwashing and respiratory etiquette;</p>	<ul style="list-style-type: none"> • The District will review and continue deployment of hygiene instruction and respiratory etiquette for all students and staff to promote healthy hygiene practices. • Handwashing routines and breaks will be implemented. • Adequate supplies will be provided in all areas, to include soap, paper towels, hand sanitizer, and tissues. • Signs and posters will be placed in highly visible locations to promote handwashing and respiratory etiquette.
<p>d. Cleaning and maintaining healthy facilities, including</p>	<ul style="list-style-type: none"> • The District will follow CDC guidance for cleaning and disinfecting schools.

ARP ESSER Requirement	Strategies, Policies, and Procedures
<p>improving ventilation;</p>	<ul style="list-style-type: none"> Frequently touched surfaces (desks, door handles, sink handles, light fixtures, etc.) and objects will be cleaned and disinfected regularly using hydrogen peroxide-based products that are safe for use in all settings. Disinfection using the Clorox Total 360 Electrostatic Sprayer will be used in indoor settings where there has been a suspected or confirmed case of COVID-19 within twenty-four (24) hours. To the greatest extent feasible, outside air percentages will be increased to forty (40)% HVAC filters will be replaced as needed. Classrooms and common areas will be ventilated with additional circulation of outdoor air when feasible, using windows, doors, and/or fans.
<p>e. Contact tracing in combination with isolation and quarantine, in collaboration with the State and local health departments;</p>	<p>Student and Staff Reporting Form</p> <ul style="list-style-type: none"> Staff will be required to submit the Staff Self-Reporting Form and parents/guardians are required to submit the Student COVID-19 Reporting Form to report symptoms, advice by a health care provider to isolate, a positive test result, or an exposure. <p>Students/Staff Showing Symptoms</p> <ul style="list-style-type: none"> Students and staff with COVID-19 symptoms will be assessed in an isolation room, as available. Individuals with COVID-19 symptoms will be separated from others until they can be sent home and will be offered a COVID-19 test by a school nurse in accordance with Diagnostic Testing guidelines aligned with the CDC. Individuals who have been sent home due to symptoms of COVID-19 may return to in person attendance when one the following criteria has been met: <ul style="list-style-type: none"> Criteria 1: A health care provider has advised that they DO NOT need to obtain a COVID-19 test or isolate due to symptoms. AND Improvement of symptoms for ≥24 hours without the use of medication. Criteria 2: The symptomatic individual has received a negative COVID-19 test result. <p>AND</p> <ul style="list-style-type: none"> The symptomatic individual does not meet the criteria indicative of other communicable diseases set forth in 28Pa.Code § 27.65. Exclusion of children, and staff having contact with children, for showing symptoms

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<p>Positive Cases</p> <ul style="list-style-type: none"> PA DOH will be contacted upon any report of a confirmed positive test result. Individuals testing positive for COVID-19 or being advised by a health care provider to isolate due to symptoms may return to in person attendance when they have met criteria set forth by the CDC in the Ending Home Isolation for Persons with COVID-19 Not in a Hospital Setting. <p>Close Contact/Quarantine</p> <ul style="list-style-type: none"> Individuals who have been instructed to quarantine due to close contact with someone testing positive for COVID-19 may return to in person attendance when they have met criteria set forth in Options to Reduce Quarantine for Contacts of Persons with SARS-CoV-2 Infection Using Symptom Monitoring and Diagnostic Testing. Vaccinated persons will not be required to quarantine. However, fully vaccinated people should be tested 3-5 days following a known exposure to someone with suspected or confirmed COVID-19 and wear a mask in public indoor settings for 14 days or until they receive a negative test result. Diagnostic Testing guidelines from the CDC will be followed. <p>Contact Tracing</p> <ul style="list-style-type: none"> The District will continue to work with PA DOH to complete contact tracing for individuals diagnosed with or exposed to COVID-19.
f. Diagnostic and screening testing;	<ul style="list-style-type: none"> Symptom and exposure screening will be done at home by staff and students on a daily basis using the STSD COVID-19 At Home Symptom Monitoring Tool. Individuals with COVID-19 symptoms will be separated from others until they can be sent home and will be offered a COVID-19 test by a school nurse in accordance with Diagnostic Testing guidelines aligned with the CDC. Students and staff meeting the criteria for close contact will be offered a COVID-19 test following Diagnostic Testing guidelines aligned with the CDC.
g. Efforts to provide vaccinations to school communities ;	<ul style="list-style-type: none"> STSD, in partnership with a local pharmacy, will operate regularly scheduled school-located vaccine clinics to administer the COVID-19 vaccine to eligible populations based on the CDC Considerations for Planning SLV. Dates, times and locations of SLVs will be communicated to the community via Campus Messenger and the STSD website. Limit nonessential visitors, volunteers, and activities involving external groups or organizations with people who are not fully vaccinated. Level II and III volunteers with

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<p>direct contact with students will be required to submit vaccination records to the District Volunteer Coordinator.</p> <ul style="list-style-type: none"> • Fully vaccinated staff and students are strongly encouraged to submit evidence to the District.
<p>h. Appropriate accommodations for students with disabilities with respect to health and safety policies; and</p>	<ul style="list-style-type: none"> • STSD will take extra precautions in low incidence programs: Autism Support (AS), Multiple Disability Support (MDS), Life Skills Support (LSS), Emotional Support (ES). • Students in low incidence programs include students with medical concerns, students not understanding the importance of wearing a mask, students requiring hand-over-hand instruction and support, students requiring assistance with feeding or toileting. • Extra precautions will be implemented include: • Staff are required to thoroughly wash hands immediately before and after working with a student. Hand sanitizer may be used if soap and water are not available. • Avoid the use of communal objects for student reinforcement. If such objects are used with multiple students, each object must be disinfected immediately before and after student use. • Personal student devices must be disinfected daily. • The district's feeding protocol must be followed when feeding students. Staff are required to wear gloves when feeding students. • Bathrooms and changing tables must be disinfected before and after student use. Limit students to one at a time. Students should be assisted with hand washing as needed.
<p>i. Coordination with state and local health officials.</p>	<ul style="list-style-type: none"> • The District will continue two-way communication with the PA Department of Health (PA DOH) to report positive cases, exposure to a known positive case, and for general advice and guidance on mitigation efforts. • PA DOH will be consulted to confirm reports of positive cases and to determine if a school closure is needed.

Health and Safety Plan Governing Body Affirmation Statement

The Board of Directors/Trustees for **Susquehanna Township School District** reviewed and approved the Health and Safety Plan on 8/2/2021

The plan was approved by a vote of:

4 Yes

3 No

Affirmed on: 8/2/2021
