Thursday, April 8th, marks the conclusion of the 3rd quarter. Our students are excited about learning and demonstrating their skill growth both in the classroom and on zoom, which will be shared with you shortly via the third quarter progress report, which teachers will be spending Friday, April 9th, preparing. A progress report is one which shows student skill development levels, just like you received at fall conferences, without comments. Please contact your student's teacher anytime you have a question or a concern regarding their progress or classroom activities. 3rd quarter progress reports will be sent home Monday, April 19th, with students participating on-site and mailed to those participating in distance learning only.

Potential Return to In-Person Instruction

Thank you for taking time last week to fill out the survey regarding to returning to In-person instruction. We appreciated how everyone did not request a teacher and understands the purpose of the survey was to collect information as to who would potentially like to return to In-person Learning or remain on Comprehensive Distance Learning. This survey allows us to plan what instruction will look like for all students. Our next step is to work with transportation as new bus schedules will need to be created too. Be watching for more details.

New Ready School, Safe Learner Guidance

Friday, April 2nd, we received new guidance from the Oregon Department of Education. Anytime we receive new guidance it means change. Don't be surprised if your student comes home and says our class went outside for a group mask break. Within the guidance, classes can go outside and take a stationary mask break as long as students are socially distanced 6 feet apart and remaining in their designated space during the break.

Spring Registration

It seems like only yesterday, I was preparing the welcome back to school materials. Now my colleagues at the high school and I are working to forecast next fall's enrollment and determine the number of classes needed at each grade level. To assist with this task, please register your student on-line at

<https://www.pleasanthill.k12.or.us/registration-main> .

If you know that your child will not be attending our school next year, please call our office, 541-736-0400 or email me at dstoneberg@pleasanthill.k12.or.us.

Kindergarten Registration Is Open

Help us spread the word sharing with your neighbors and friends within the district Kindergarten on-line registration is open for the 2021-2022 school year.

Any child who will be 5 on or before September 1, 2021, is eligible to be registered for Kindergarten.

To register a child go online and follow the step-by-step directions at <https://www.pleasanthill.k12.or.us/kindergarten-registration>.

If you do not have access to a computer or a cell phone with data capabilities, please stop by our school and use one of our computers. **In addition, you will need to either email the required documents listed below or drop them off in order to complete the registration process.**

You will need to provide our school with the following materials before we proceed with enrolling your student, before June 1, 2021. You may either email, cthoms@pleasanthill.k12.or.us or mskelton@pleasanthill.k12.or.us, fax, 541-736-0446, or drop off between the hours of 8:00 - 4:00 p.m.

- Birth Certificate for the student(s)
- Immunization records
- Proof of Residency which consists of:
 1. Utility Bill with your name and address listed
 2. Lease / Rental Agreement
 3. Mortgage Statement

Chromebook Care

The Chromebooks need to be restarted at least weekly, updating all of the apps (Zoom, etc.) and operating systems (Chrome OS) to the newest and best for the systems. (Just closing the lid does not accomplish this)

Step 1: Press and hold the *Power* button.

Step 2: The screen dims, and a pop-up appears. Click the *Power Off* button.

Step 3: Press your Chromebook's *Power* button to restart.
