- 5:30 p.m.** Continued play or time for homework until pick up

St. Martin's Episcopal School offers much more beyond the regular school day through our Explorers Extended-Day Program, which includes before- and after-care, and enrichment classes. Because many of our parents have early morning commitments, students may be dropped off as early as 7:15 each morning (Toddlers–8th grade). Students may remain at school in the Explorers Extended-Day program until 6 p.m.

In our program, parents know that each child is in a safe, friendly and comfortable environment. Explorers teachers meet Toddlers, Beginners and Pre-K students in their classrooms and escort them to the Explorers room for playtime, naptime, activity centers and games. Outdoor play is scheduled daily, weather permitting. Kindergarten students join them when their school day ends at 3 p.m. Elementary and Middle School Explorers meet after school in the Commons, where they enjoy a snack and some social time before working on homework or visiting the library or computer lab.

Teachers supervise games, outdoor play and other activities for the remainder of the afternoon. All students are picked up by 6 p.m.

Explorers Enrichment Program

We are proud to offer a number of enrichment classes to Pre-K through 8th grade. These classes provide your child with options to add extra excitement to their stay in Explorers. The Beginners (3s) will have an enrichment day 3 times a week led by our own Music and Movement teacher Mimi Deupree and EC Science teacher Elizabeth Beckwith for 6 weeks only.

These highly sought after classes are offered for an 8 week span each semester for an additional fee and they are led by experienced internal and external vendors.

The classes listed (at right) are examples of class offerings through the Enrichment program. Our website offers a catalog of specific classes offered on a by-semester basis. The Enrichment Classes tab can be found under the Explorers tab on the St. Martin's website.

Please be sure to consult the school calendar for enrollment dates and remember that all classes are first come, first serve and space is limited.

*NOTE: Not all classes are offered to all grade levels.

Enrichment Class Examples*

Golf
Animation
Ballet/Tap
Soccer
Bricks4Kids (Legos)
Karate
Edible Science
Imagine That (STEM Tech)
App/Web Development
