

COVID-19 VACCINATION EXEMPTION REQUEST

*There are two permitted exemptions to Fisher's' COVID-19 vaccination requirement: medical exemptions and religious exemptions. Those wishing to apply for an exemption may do so by emailing the attached form to my office.

Student Name:

Reason for request:

- Medical (documentation must be provided)
- Religious

If this exemption is approved, you will be required to wear a mask in all campus buildings, complete COVID-19 testing at your own expense on a bi-weekly basis and provide those results to the College Nurse. Daily symptom tracking will not be required, but if any symptoms appear, you must agree to stay home and immediately get tested. If positive, the College Nurse must be notified for contact tracking purposes.
