Dear Parents and Guardians,

On behalf of the entire staff at Wausau West, I would like to welcome you and your family back for the 2021-2022 school year! It is exciting to know that we are going to welcome another great class of freshmen to complement our already stellar student body. The last two years have presented us with many challenges and caused us to do some things differently -- some things for the better. This year, like all years, we are extremely excited to get our students back in the building; however, we understand we will have to provide some additional orientation activities to help our students understand processes within the school such as homework completion, attendance, and the general operational routines of a normal school day. We are committed to providing our students with the very best high school experience.

Wausau West offers many opportunities for our students to become involved. Please encourage your children to get involved and experience as much of what Wausau West has to offer as possible. Student involvement in school activities ignites school pride, helps develop relationships, enables students to meet new friends, and enriches the learning and overall high school experience. Probably the most important reason we like to encourage student participation is that it gives students an added reason to be excited about school.

Please note the Schedule Pick-up dates/times listed below. Remember, yearbook/ID pictures will be taken in the commons during these times. Please have your child dressed appropriately. Students will receive their ID within a couple of minutes after having their pictures taken and will need their ID to attend many Wausau West events. If you wish to view/order pictures, please see the Empire insert on page five.

I hope you find the pages that follow informative. We continue to work to identify questions and communicate answers; however, feel free to contact us if you have additional questions. Go Warriors!

Sincerely, Jeb Steckbauer
Wausau West Principal

You will be asked to re-enter your payment methods into the Parent Portal.

There are no other changes in the way you will experience online payments. The instructions below will walk you through the process of setting up your payment methods.

This change will improve financial reporting efficiency for the district, as well as the support experienced by District staff when researching reported issues.

All breakfast and lunch meals are free. Ala carte options will be made available through the lunch line. The **USDA is asking that families complete and submit a Free/Reduced Application** either online or by paper application before school starts to determine meal eligibility status for the new school year. This form is the only method that the government has to determine funding for several of the educational programs within the school district.

PERMIT NEEDED TO PARK IN STUDENT LOT

Students who wish to use the student parking lot must purchase a parking tag during Schedule Pick-Up or any time prior to parking in the lot. The tags cost \$40.00 a year or \$20.00 per semester and must be placed on the rear view mirror. If a student drives more than one vehicle or buys a different vehicle he/she may purchase a replacement/additional parking tag for \$2.00. **Only one replacement tag a year will be allowed. A license plate number is required at the time of purchase.** If a different car is brought to school you must either park on the street, temporarily place your hang tag in the vehicle or obtain a temporary parking permit in the Main Office.

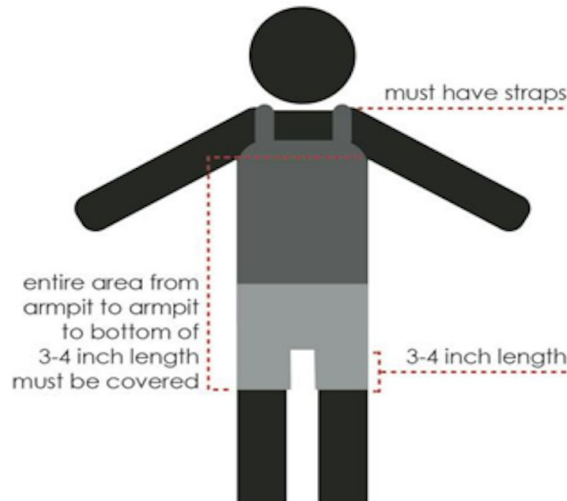

Parking in the student lot will be on a FIRST COME, FIRST SERVED basis until the lot is full. Buying a tag doesn't guarantee a parking spot in the student lot.

Students who park in the faculty or visitor parking lot will be issued a citation from the Wausau Police Department and may receive consequences from the school. Thank you for your cooperation with this issue. If there are any questions, please call or email Associate Principal, [Jon Tomski](#), at 715-261-0862.

WAUSAU WEST HIGH SCHOOL DRESS CODE RULES

Dress code helps foster an appropriate learning environment free from the disruptions associated with attire that doesn't adhere to the policy. The dress code is as follows:

- ☑ During the school day, hats, caps, bandannas, do-rags, and any other head coverings shall be taken off and placed in the student's locker soon after the student enters the building. These items shall not be worn in the classroom and they shall not be worn in the school building except when the student has immediately entered or is leaving the building.
- ☑ Clothing worn by students must cover the area from armpit-to-armpit, the entirety of the torso, down to the thigh. A recommended length along the thigh is 3-4 inches or mid-thigh.

- ☑ Costumes are prohibited outside of school-approved dress-up days. In this case, a costume may include: large head gear, character costume masks, artificial anatomical features unrelated to a disability, or other components or accessories of a custom that pose a potential safety risk or disruption to the school environment. Make-up, hairstyles, and hair coloring are considered student expression and are allowed as long as the expression is in compliance with other related school policies.
- ☑ Students will not be permitted to wear any clothing that contains references or content related to, pictures of and/or writing about alcoholic beverages, tobacco products, sexual acts, profanity, promotion of gambling, illegal drugs, disruptive symbols of hatred or intolerance (e.g., confederate flags, a swastika or other Nazi symbols, white supremacist symbols, etc.), and/or gangs.
- ☑ Medallions or other jewelry that identify gang members or gang affiliation or that represent a gang shall also not be worn or displayed in school or at school events. Also, gang clothing is not always restricted to an item of clothing, but may include the way in which a particular item of clothing is worn. No gang insignia may be worn, possessed, used, distributed, displayed, carried, or sold by any student on school grounds or at school-related activities at any time.

The school administration will use discretion to make decisions regarding the appropriateness of each student's dress and possible consequences for violation of this policy. Students will be required to change into appropriate clothing. This may include being sent home to change clothes. Repeated violations of dress code can result in severe disciplinary consequences taken. With student and parent support and the use of common sense in terms of the attire's appropriateness for school, issues can be easily resolved.

IMPORTANT POLICIES/PROCEDURES FROM THE ATTENDANCE OFFICE

Communication between home and school is of utmost importance for the Attendance Office. The following is a list of acceptable reasons your student may miss school:

- * Personal illness
- * Funerals and religious services as requested by the parent(s) and/or guardian(s)
- * Professional appointments that could not be scheduled outside of the regular school day
- * Serious personal or family crisis
- * Student is not in proper physical and/or mental condition to attend school in accordance with Wisconsin Statute 118.15(3)(a)
- * Suspension from school

Students will be excused for the above reasons only when a parent/guardian gives an explanation of the cause of the absence. Please call the Attendance Office by 9:30 a.m. on the day of the absence. If this is impossible, please call or send a note with your child on the day of his/her return to school.

Parents/guardians are allowed to excuse their child for part of or the entirety of ten days per school year without a medical note. If your child is absent from school for more than ten days, you will be asked to furnish a medical excuse. Absences excused with medical notes are excused without using the ten days previously mentioned. Family vacations or activities must be pre-arranged through the Attendance Office prior to leaving. In such cases, the student must complete an anticipated absence form.

If your child needs to leave school during the day, they must obtain a pass from the Attendance Office before leaving. Therefore, you must send a note with your child or call the Attendance Office. Any student who does not obtain a pass before leaving will be marked unexcused. Do not hesitate to contact the Attendance Office at 715-261-0880 with any questions or concerns.

CLOSED CAMPUS AND OPEN CAMPUS INCENTIVE

Last school year nearly all students were offered some sort of open-campus as part of our COVID mitigation. This year, we will be blending our past practice of closed campus with an expansion of our past incentive program, we are calling this the "Open Campus Incentive". Seniors, juniors, and 2nd semester sophomores meeting the below criteria will be eligible to leave campus for all unstructured mods starting at lunch (Mod 9) through the end of the school day. This is a change from past years which only allowed for a 40 minute block of open campus for upperclassmen. The criteria to earn this privilege includes:

1. Parental permission on file
2. Passing grades
3. Good attendance, including Homeroom
4. Good behavior

Details of this list of conditions can be found in the student handbook which will be available on our website and will be saved to your child's Chromebook. Students will be issued an application during homeroom and can submit them to the Attendance Office. Qualifying students will be allowed to use this privilege after the 10th day of school. Students qualifying who are found to have attendance and behavior concerns will have this privilege revoked. Students using this privilege must leave school property, loitering in the parking lot is not allowed and will result in revocation of the privilege and possibly a citation from the Wausau Police Department. We strongly urge parents to discuss this policy with your students in hopes that we can have efficient implementation of these rules.

PLANNERS AND STUDENT HANDBOOK

The 2021-2022 Student and Parent Handbook will be available on our website and will be saved to students' Chromebooks via a homeroom activity the first week of school. We will not be issuing all students a planner and physical copy of the handbook this year. Generic planners will be available for purchase in the main office at the start of school for students still wanting a planner.

- ☑ Progress Report 1: Will be distributed to students in homeroom on or by October 18.

“College Bound”? Admission Tests are Required for College Admission

College admission tests are one of the requirements when applying to a college or university. Both the ACT (American College Test) and the SAT (Scholastic Aptitude Test) are admission tests. A student may choose to take one or both of these assessments. However, it should be noted that the University of Wisconsin System has historically preferred scores from the ACT assessment as part of its entrance requirements. Also, to qualify for some scholarships a student may be required to submit an ACT or SAT score.

Students may register for either test online at the address below or using the registration materials they can pick up in the Counseling Office.

ACT - actstudent.org

SAT - collegeboard.com

A few important facts about these tests that may be helpful for you to know: The ACT has an **optional** writing test. It is important for students to check online at actstudent.org prior to registering to take the test, to see if the college(s) they plan on applying to requires the writing test. Not all schools require this test. The SAT also has a writing section to its test, however it is included as part of the test and all students who take the SAT will take the writing component. Both testing companies indicate that applying online expedites registration for the test.

**Please go the Counseling website for free online test preparation materials.

On page thirteen you will find the dates for testing.

ATTENTION PARENTS OF JUNIORS

The **PSAT/NMSQT® exam** will be offered at Wausau West on Wednesday, October 13, 2021, beginning at 8:00 a.m. Students may sign up in the Business Office, or online via the Parent Portal with a credit card **by September 15th**. The cost of the test is \$18.00. The purpose of the PSAT (practice SAT) is to give students an opportunity to experience taking a college readiness test and to identify students who might benefit from advanced coursework.

By taking the PSAT in 11th grade, all students have the opportunity to qualify for participation in the National Merit Scholarship Program. PSAT/NMSQT® scores are used as initial screen of entrants to the National Merit Scholarship Program, which recognizes outstanding academic achievement by U.S. high school students.

Students must be in *good academic standing, have good attendance, and take responsibility to arrange missed work and class time from taking the test on October 13th.*

You must notify the counseling office if your student has a 504 or IEP and plans to take the test; accommodations must be applied for by August 24.

CAREER CENTER

COLLEGE AND MILITARY VISITS: Representatives from colleges, universities and the military will visit the Career Center throughout the year. Students should watch for advertisements and emails and make a point to stop by the Career Center to meet with a rep and learn more about their post-secondary options.

ASVAB: The ASVAB (Armed Services Vocational Aptitude Battery) will be offered at Wausau West to any interested junior or senior. The ASVAB is a voluntary, free career aptitude test designed for students who plan to enter the military upon graduation OR for students who simply want to learn how their skills and interests match hundreds of occupations. The ASVAB is a 3-hour test. The date will be announced by October 1, 2021, along with the registration deadline. If you have questions, see Mr. Jensen in the Career Center.

SELECTIVE SERVICE: All males must register with Selective Service within 30 days of their 18th birthday. Students may register as early as three months after their 17th birthday. This is not a school requirement, it is the law. Failure to register will affect a student's ability to receive financial aid, job training or to gain citizenship. Registering with Selective Service is easy and only takes about two minutes. Go online at www.sss.gov or pick up a registration card in the Career Center or at any post office.

STUDENTS, CHECK YOUR EMAIL! Students are encouraged to check their Wausau School District email regularly to stay up-to-date on happenings in the Career Center. College, military and community organization visitors will be announced via email. Additionally, job and volunteer opportunities and field trip announcements may also be sent via email. Announcements are also posted on the TV messaging system.

CONTACT INFORMATION: Please contact Ray Jensen, Career Center Coordinator, at 715-261-0853 or rjensen@wausauschools.org to schedule an appointment or ask questions related to career planning, college, or employment.

WISCONSIN EDUCATION FAIR (WEF)

Wisconsin Education Fairs, Inc. was created in 1978 with the goals of coordinating and improving the flow of information about post-secondary educational opportunities to high school students in Wisconsin.

WEF includes in its participant list all UW state universities and centers, Wisconsin's independent colleges and universities, Wisconsin technical colleges, and many out-of-state institutions. In addition, many community colleges, trade schools, and the national service organizations, such as the armed forces, are represented.

Wisconsin Education Fairs is excited to offer in-person and virtual college fairs throughout the state. (Source: www.wefs.org)

Please go to www.wefs.org to register for fairs and review the schedules.

UPDATED COUNSELING CONFERENCES

The West Counseling Department will be conducting individual counseling sessions with freshman, sophomore, and senior students and their families. Freshman parents and students will be invited to attend a conference to learn more about programming and resources available to students and parents at West. Meetings will be individualized to each family's questions and needs. These meetings will start in October and run through December.

Sophomore Planning Conferences will be used to discuss high school and career goals and may include some of the following topics: transcripts, graduation requirements, course selections, career interest inventory review and career planning connected to each student's Academic and Career Plan. These meetings will begin in the fall. More information will be coming.

Senior conferences took place at the end of July. Any family that was unable to attend, should contact their student's counselor to schedule one. This is an important meeting meant to inform students and families about timelines and tasks associated with having a successful senior year.

SENIOR REMINDER

Seniors planning on applying to a University of Wisconsin campus

It's never too early to start working on your college applications! The application for University of Wisconsin schools will be available online August 1, at <https://apply.wisconsin.edu/>.

Fall 2021 UW Application Opens: Students will be able to start and submit their applications on August 1, for Fall 2021 at all twenty-six UW system campuses.

ATHLETIC INFORMATION

NEWS FROM THE ATHLETIC OFFICE

A FRESH START FOR SPORTS

AD Miller here! I think everyone hopes that high school sports return to normal. Full schedules, spectators, concessions, all the biggies! At this point that is the plan for the 2021-2022 school year. Our students particularly proved their resilience last year. Playing with masks, limited but jammed game schedules, not being able to play in front of their peers, quarantines and the list goes on but through the course of the year, they just competed with great effort and gratitude for having their activities made available. I know I was certainly proud of the kids and the coaches.

Many of you have met my new assistant, Brittany Tesch. She took over for Stacey Linzmeyer during the middle of the year. She has fit into the position well and I am looking forward to working together for her first full year in the athletic office. By the way, she can already answer more of the “how-to questions” of athletic registration and participation than I can, so feel free to contact her with your questions.

We will continue the online ticket purchasing this year. There will not be limits and codes for tickets as there was last year. We are starting the seasons with full spectator access. You may purchase tickets online and then scan them in from your phone as you enter the various venues. We will also have the traditional “cash on the barrelhead” tickets for purchase if you choose that method.

Our only head coaching change for this upcoming year is our Cheer Team. Dana Rasmussen is replacing Hayley Randall and is taking over a strong cheer program. There are numerous new assistant coaches and I am very glad for the high quality of coaches that have been added to our Warrior staff.

I would like to start the year by thanking our booster clubs. Operating our activities at West is dependent upon the work that these groups do. We could not run all of our programs without them. We also have wonderful sponsors who contribute to our programs and we encourage you to acknowledge and patronize these community partners.

Historic Munich, King Ludwig II's castles, the Olympic Park and BMW World, the Dachau Concentration Camp Memorial, Salzburg, a family stay in nearby Altötting through our partner school and more all await those planning to travel to Germany in June of 2022. With eleven students already signed up, the Germany trip will happen (pandemic allowing). It's not too late to join us! Final registration must take place prior to October 15, 2021, so there's still time! WAUSAU WEST SCIENCE OLYMPIAD

The Wausau West Science Olympiad team will be organizing in October for the 2022 competition season. The Warriors successfully managed the virtual competition cycle last year finishing in 9th place at the State competition last April. Science Olympiad is an interscholastic competition consisting of up to 28 different events. These events cover biology, physical sciences, Earth and space sciences, inquiry activities, and engineering projects. A typical student will compete in up to five of these events in a given competition.

If you have a high interest in science, are motivated to stretch yourself to new levels, and have some time after school, Science Olympiad may be something that you want to consider. Practices are held twice a week from 3:15 to 5:00 p.m.. Competitions are held on Saturdays and take all day. Watch for signs in October about the start of practice. Get your activities code signed now. Email [Mr. Nelson](mailto:Mr.Nelson) or [Mr. Csuy](mailto:Mr.Csuy) if you have any questions.

The library main webpage is <https://sites.google.com/ausauschools.org/ausauwest/home>. Look at the top of the resource pages for at home use passwords link. We also use soraapp.com for our Overdrive collection of e-books and digital audio books. To access the books, students log in with their school computer user name and password. This can be done on any device with a Chrome browser.

The library maintains a West Library ItsLearning course. Students have access to short tutorials for projects and resources, find links to all our resources with passwords and research guides.

The physical library is open during school hours. Students are welcome to come and work during unscheduled mods on any assignment. New this year is a space redesign which came from staff and student input. We hope students will enjoy the new setup. Feel free to contact me with any questions Jenny Eder at ieder@ausauschools.org.

A PATH TO SUCCESS FOR AP STUDENTS

High school students across the country and around the world take AP courses and exams to challenge themselves, explore their interests, and earn college credit and placement. A study published by the U.S. Department of Education, *Answers in the Toolbox*, shows that the most powerful predictor of college graduation is the rigor of a student's high school curriculum.

If your child is enrolled in an AP level class, they will be asked to create a College Board account in the fall. This will allow access to online resources and to register for the spring AP exam. **Testing will take place in early May 2022.** Cost for the exams are:

Type	Description	Cost per Exam
On-time order	Exam ordered and paid for by early November 2021	\$98
Late order	Exam ordered and paid for between mid November and early	\$98 plus \$40 late fee*
Unused or canceled exam	Exam canceled or not taken by the student	\$40

* Note: Classes that only run 2nd semester (AP Macroeconomics and AP English Literature) will not be subject to the \$40 late order fee

Watch for more information in Fall 2021 regarding registration for spring AP tests. Questions can be directed to Karen Hill at khill@ausauschools.org.

BUILDING SECURITY

Wausau West will be continuing the procedure of locking all exterior doors between the hours of 7:45 a.m. and 3:00 p.m. during the school days. We are asking all visitors to continue using the Main Office atrium as the school entrance point during the school day.

Our Attendance Office is located directly adjacent to the Main Office. This allows families to conduct their attendance business directly upon entering the building. This measure should decrease the amount of traffic flowing into the building from visitors during the school day.

Providing a safe and secure environment is a priority at Wausau West. We appreciate your patience, understanding and follow through with these measures to help make West the great school that it is.

IMPORTANT REMINDERS FOR PARENTS/GUARDIANS

We want to limit the number of interruptions in the classroom so we can focus on students and their instruction as much as possible.
